

## PARTICIPANT LIST

### Exploring Regional Climate Services: Meeting Stakeholder Needs for Practical Climate Information

#### Section 1: The Stakeholder Perspective

| Name                          | Organization   | Position   | City          | Country | Email Address                     |
|-------------------------------|--|--|---------------|---------|-----------------------------------|
| Pamela Kertland<br>(author)   | Natural Resources Canada                                       | Manager, Innovation Risk Management                          | Ottawa        | Canada  | pamela.kertland@NRCan-RNCan.gc.ca |
| Johanna Wolf<br>(author)      | Memorial University of Newfoundland                            | Postdoctoral Fellow  | Victoria      | Canada  | jwolf@mun.ca                      |
| Jenny Fraser<br>(facilitator) | BC Ministry of Environment                                     | Climate Adaptation Specialist,<br>Climate Action Secretariat | Victoria      | Canada  | jenny.fraser@gov.bc.ca            |
| Jim Barnes                    | BC Ministry of Transportation                                  | Manager  | Victoria      | Canada  | jim.barnes@gov.bc.ca              |
| Giselle Bramwell              | Environment Canada   | Regional Services Climatologist                              | Vancouver     | Canada  | Giselle.Bramwell@ec.gc.ca         |
| Gerd Burger                   | Pacific Climate Impacts Consortium                             | Climate Scientist  | Victoria      | Canada  | gburger@uvic.ca                   |
| Peter Chapman                 | Shareholder Association for Research and Education (SHARE)     | Executive Director   | Vancouver     | Canada  | pchapman@share.ca                 |
| Nikki Elliott                 | Capital Regional District                                      | Climate Action Program Assistant                             | Victoria      | Canada  | nelliott@crd.bc.ca                |
| Kindy Gosal                   | Columbia Basin Trust   | Director, Water and Environment                              | Golden        | Canada  | kgosal@cbt.org                    |
| Grit Martinez                 | Ecologic   | Senior Project Manager                                       | Berlin        | Germany | grit.martinez@ecologic.eu         |
| Kate Miller                   | Cowichan Valley Regional District                              | Manager, Regional Environmental Policy                       | Duncan        | Canada  | kmiller@cvrd.bc.ca                |
| Marlow Pellatt                | Parks Canada   | Coastal Ecologist  | Vancouver     | Canada  | marlow.pellatt@pc.gc.ca           |
| Dave Spittlehouse             | BC Min Forests, Lands and Natural Resource Operations          | Forest Climatologist   | Victoria      | Canada  | dave.spittlehouse@gov.bc.ca       |
| Steve Young                   | City of Victoria   | Climate Action Analyst                                       | Victoria      | Canada  | syoun@victoria.ca                 |
| Vanessa Foord                 | BC Ministry of Forests, Lands, and Natural Resource Operations | Research Climatologist                                       | Prince George | Canada  | Vanessa.Foord@gov.bc.ca           |
